AMEND Senate Bill No. 3195

House Bill No. 3232*

by designating the amendatory language in SECTION 2 as (b)(1) and adding the following as a new subdivision thereto:

(2) Nothing in this section shall be construed as prohibiting a property owner from petitioning the circuit or chancery court for relief from the assessor's subpoena. The property owner may object to all or some of the information required by the subpoena on any of the following grounds:

- (A) The documents are unduly burdensome for the property owner to produce;
- (B) The information requested by the subpoena is not relevant to the assessment of property;
- (C) The information involves proprietary information or trade secrets;
- (D) The information requested by the subpoena is confidential or privileged information; or
- (E) The scope of the request is unreasonably broad.
